RE: Adult Family Home License #750457

IDR RESULTS
REVOCATION OF CIVIL FINE

Dear Mr. Miles:

Thank you for participating in the Informal Dispute Resolution (IDR) process on October 14, 2011. During the IDR the Statement of Deficiencies (SOD) report dated August 27, 2011 was addressed. This letter is a follow up to the telephone conversation on October 31, 2011, with David Moon about the results of the IDR. As discussed, the following information was considered:

- All written materials presented by the adult family home;
- All oral statements and explanations offered by adult family home staff;
- All oral statements and explanations offered by residents and residents' representatives;
- Records gathered by the RCS regional staff.

Further, the RCS regional staff were questioned as needed in order to clarify the facts and issues that were raised.

Based upon careful review, there is one change to the SOD. Under citation WAC 388-76-10030 the statement 'Upon interview the Provider confirmed #6 had been coming to the adult family home', has been deleted.

On August 15, 2011 you received an 'Imposition of Civil Fine' letter with an assessed fine of \$3200.00. The fine is rescinded.

Enclosed is an amended Statement of Deficiencies dated October 31, 2011.
